Top 5 Pizzas by Revenue

Top 5 Pizzas by Quantity

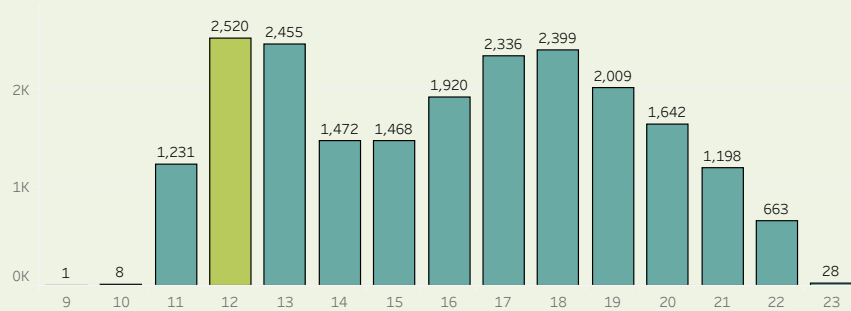

- At Plato's, we tend to get jammed up around lunch time (12-1PM) and dinner time (5-6PM) . During these times we get an average of 2427 orders per hour. Our busiest day of the week though is Friday with over 3500 total sales that day

- Our best selling pizza by quantity is the Classic Deluxe yet by revenue our best-seller is the Thai Chicken Pizza

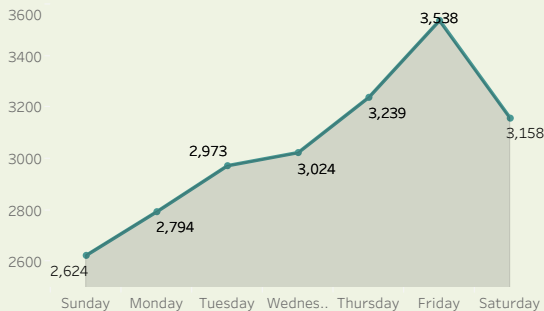

- Our average price for a pizza is around \$16.50 per pizza which is a bit on the expensive side when buying a pizza

- During the week (Sunday-Wednesday), although Plato's is busy during lunch and dinner, the table capacity stays maxed out from 4-7PM on each of these days. On Thursdays, Fridays and Saturdays though, Plato's is at capacity almost the entire day from 12-9PM
